

DispenserONE® FLEXI 230 Vac

seko

DispenserONE® FLEXI 230 VAC is a 10-litre-capacity dispenser of sanitizing chemicals, designed to be installed in small to medium-sized sites such as supermarkets, franchises and public offices.

Product Features

- High tank capacity allows more than 10,000 doses of sanitizing gel on average, minimizing refill requirement, especially in places with a high influx of people. The unit comes with a 10-litre tank included in the package.
- Touch-free dispensing via proximity sensor guarantees maximum hygiene and safety.
- Peristaltic dosing with single shot fine adjustment ensures maximum dosage accuracy and repeatability.
- Integrated level control gives direct and remote warnings to the owner, helping to prevent the device running dry.
- Robust design with metal enclosure, contained within a minimal footprint, makes DispenserONE® suitable for every site.
- Mains power supply removes environmental and maintenance cost of single-use disposable batteries.
- The unit is supplied with wheels, allowing easy transportation and placement; a metal base is provided with holes for optional ground fixing.
- Wide, flat front surface ensures bespoke branding is easily applied with custom logo and colour.
- Key-operated door lock secures chemical canister, protecting against theft or tampering.
